Only teams declaring for Championship Division can attempt to qualify for Championship Flight on Friday. The Shootout Division will start match play on Friday. Championship Division Teams failing to qualify for Championship Flight will start match play Saturday. **You must declare your Division intentions below when completing this form.**

Division Choice

I wish to play in the Championship Division. This will allow me to attempt to qualify for Championship Flight on Friday July 14th.

- Limit of 48 Teams to Qualify. If there are more than 48 applications for Championship Division, team handicaps will be used to decide which teams can play in Championship Division. **If a player has no handicap index, their team will be eliminated from consideration for inclusion into the 48-team field.**

I wish to compete in the Shootout Division.

- There may or may not be a limited number of spots in the Shootout Division available in the Thursday qualifier. This depends on the number of Seniority teams that declare for the Shootout division.

CHAMPIONSHIP DIVISION FORMAT

- Championship Flight will consist of the low 15 qualifiers on Friday plus the Defending Champions. Championship Flight will compete in match play competition; 2 matches Saturday and 2 matches Sunday. Non-Championship Flight qualifiers from Friday will compete in 4 team match play flights; 1 match Saturday, 1 match Sunday. The 12 Championship Flight teams who are defeated Saturday will compete in an optional Consolation Stroke Play Competition Sunday. The teams eligible to play in the Consolation Stroke Play on Sunday must notify the Golf Shop on Saturday if they will not be playing on Sunday.

Championship Division flight winners (1st to 8th Flight) will qualify for the Shootout Championship (Handicap).

SHOOTOUT DIVISION FORMAT

The 45-hole format for the event will be Better Ball of Partners Round Robin Match Play at 85% handicap off low ball in foursome. Each flight will be comprised of 6 teams competing in 5(five) 9-hole matches, 2 on Friday, 2 on Saturday and 1 on Sunday. Flights will be determined by the combined handicap indexes of the team members. If a Senior Men's Member is bringing a Guest to compete in the Shootout Division, the Guest must have a verifiable and an established USGA Handicap in order to compete with a handicap. **If no handicap is verifiable, said Guest competes as a 0 handicap for the tournament.** In the event of teams with the same combined handicap indexes, the tiebreaker will be the team with the individual with the lowest handicap index going to the higher flight.

- **SCORING:** A point is awarded for each hole won in a match. Half points are awarded for holes that are halved. Each match is worth a total of 9 (nine) points. There will also be one point awarded to the team that wins the match. This point is only awarded for winning and **will not** be awarded in tied matches. The team with the most points per flight advances to the shootout Sunday afternoon. Ties for the top spot in each division will be broken by (1) Head-to-Head result, (2) Most Matches won, (3) Chip-off. If a flight winner elects not to complete in the shootout the 2nd place will advance.

SHOOTOUT CHAMPIONSHIP FORMAT

All flight winners will playoff to determine an overall shootout champion. The format of the shootout will be true alternate shot with 50% total team handicap. Odd number flight winners will lose 3 teams on the 1st hole played (#18), 3 teams on the 2nd hole played (#1) and 2 teams on the 3rd hole played (#2). Even number flight winners will lose 3 teams on the 1st hole played (#18) 2 teams on the 2nd hole played (#1) and 2 teams on the 3rd hole played (#2). Ties at the end of each hole will be settled by a chip-off with both team members chipping for each tied team. Once there are only 2 teams remaining the format will change to 2-ball, 3-hole aggregate on holes 2, 1, & 18 with 50% using total team handicaps to crown the Shootout Champion!

- In case of forfeit for any reason the other team must play against par for that particular 9-hole match.
- Any team member late cannot participate in any hole if **any** player in the group has hit his 2nd shot.
- All chip-off locations are pre-determined and marked by our Golf Professional.
- All rules will be final as they are printed in the rules packet that each team will receive Friday.
- If a Shootout Division player is playing from the Gold tees with a player playing the White tees, he will subtract 2 shots from his Gold Tee handicap for each 9-hole match per USGA Handicap Manual Section 3-5.

Good Luck to All,
